

Parkland Burnaby Refinery

Community Advisory Panel

You're invited

PARKLAND BURNABY REFINERY COMMUNITY ADVISORY PANEL (CAP) ANNUAL NEIGHBOURHOOD MEETING

Wednesday, December 2, 2020, 7–9pm
via Zoom Webinar *(Pre-registration is required, please see below for more information)*

The Parkland Burnaby Refinery Community Advisory Panel welcomes Burnaby community members to the Annual Neighbourhood Meeting this December. At this meeting, CAP will provide an overview of their activities in 2020, consider topics for discussions at future meetings in 2021, and take questions from attendees. The agenda will also include presentations from refinery staff on topics of interest as identified by current CAP members.

CAP has been active since 1996 and consists of local residents who represent the surrounding community in regular meetings with refinery management and local regulatory officials. These meetings facilitate discussion related to topical operational issues at the Refinery and ongoing plant activities.

Please join the members of CAP and the refinery's management team to learn more about the facility and the Community Advisory Panel's work this past year.
